Power Generation
Turbines

200KW MICROTURBINE

- Natural Gas turbine
- 1x 8hr service per year
- Low noise levels and emissions
- Multi turbine synchronization capabilities

250 & 333KW MICROTURBINES

- Dual-mode operation with remote monitoring
- Unbeatable uptime, 1x 8hr service per year
- Multi turbine synchronization to cover load demands

3.2MW TURBINE

- Wide fuel compatibility across varying conditions
- Significantly lower emissions and operating noise
- Proven technology with grid-like availability
- 13.8 kV voltage class for wide range of applications

Power Generation
Turbines

30KW NAT GAS

- Can run LP or Nat Gas
- Factory installed 5 stage, 5 amp battery charger
- Weather enclosures provide sound reduction

160KW NAT GAS

- Trailered and skidded units
- Low noise levels
- Syncable

225KW & 295KW NAT GAS

- Designed for prime power operation in rental, industrial, and oil & gas applications
- Remote monitoring capabilities

Power Generation
Diesel - Wheeled

UP TO 600KW

- Many models with on board fuel tanks
- External fuel tank hook-ups
- Some models include built in distribution panels

Power Generation
Diesel - Skidded

UP TO 380KW

- Many models with on board fuel tanks
- External fuel tank hook-ups
- Some models include built in distribution panels

Power Generation
Diesel - Skidded

DOUBLE GEN 60KW

- Dual generators for longevity and backup
- Multiple outlets and multiple voltage outputs
- Utilize our transformer options to get any specific power requirement you may need
- Some models include onboard fuel

DOUBLE GEN 100KW

- Dual generators for longevity and backup
- Multiple outlets and multiple voltage outputs
- Utilize our transformer options to get any specific power requirement you may need
- Some models include onboard fuel up to 3400 L

Power Accessories
Cording

CORDING

Various lengths, amperages, and voltages

CAMLOCKS

- Various lengths, amperages, and voltages

WHIPS

- Customizable to many amperages and pole types

Power Accessories
Distribution Panels

DISTRIBUTION CARTS

- 120 / 208 & 480 volt units
- Low and High voltage equipment
- Space saving designs

DISTRIBUTION PANELS

- 120 / 208 & 480 volt units
- Low and High voltage equipment
- Space saving designs

Power Accessories
Voltage Accessories

DISCONNECT SWITCH

- Singe and double disconnect units
- Multiple amp types

TAP BOX

- Generator tap boxes provide a safe and efficient means of connecting commercial or industrial power with a portable or auxiliary power source

VFD PANELS

- Variable frequency drive panels with soft starts

Power Accessories
Voltage Accessories

TRANSFER SWITCH

- Multiple amperages and voltages available

UNINTERRUPTED POWER SOURCE

- Provides backup power at 120 volts
- 20 amp for 30 minutes in the event of power failure

LOAD BANK

- 450 amp

Accomodations
Wheeled

OFFICE PULL TRAILERS

- Site portability
- Modern amenities including leather couches, microwave, mini fridge, TV / satellite

ROUGHNECK TRAILERS

- All the amenities of home on wheels!
- Desk, dining table, TV w/ satellite, kitchen, washroom w/ shower & bedroom
- Winter capable & able to haul fully loaded

MEETING & CONFERENCE TRAILERS

- Open space for meeting or group events
- 32 ft

Accomodations
Skidded

DOUBLE ENGINEER 12WIDE

- Full living quarters with bedroom, bathroom with shower, full kitchenette, work space.
- Built with executive standards.

DOUBLE ENGINEER 14WIDE

- Full living quarters with bedroom, bathroom with shower, full kitchenette, work space.
- Built with executive standards.
- The 14 ft model gives you that extra space for long term stays

ENGINEER / GEO

- Full living quarters with bedroom, bathroom with shower, full kitchenette, work space. Built with executive standards.
- The Geo models include a geologist sink, oven fan, cutting plate

Accomodations
Skidded

GEO / SITE OFFICE

- Full living quarters with bedroom, bathroom with shower, full kitchenette, work space.
- Built with executive standards.
- The Geo models include a geologist sink, oven fan, cutting plate

COMMAND CENTER

- These wellsite trailers are designed to be the heart of your project with offices, meeting area, washroom, kitchenette

MEETING SHACK

- These wellsite trailers give you space for hosting site meetings / coordination area.
- Some models include a bathroom and kitchenette
- 40 ft & 60 ft models

Accomodations
Skidded

EXECUTIVE SINGLE

- Work and home concept for remote sites. Separate office and living quarters.
- Full living quarters with bedroom, bathroom with shower, full kitchenette
- Built with executive standards.

GYM SHACK

- Remote sites can be limited, these trailers give your staff motivation and a productive option during their time off

4 LIGHT

- LED lights
- **Plugs for site power use**

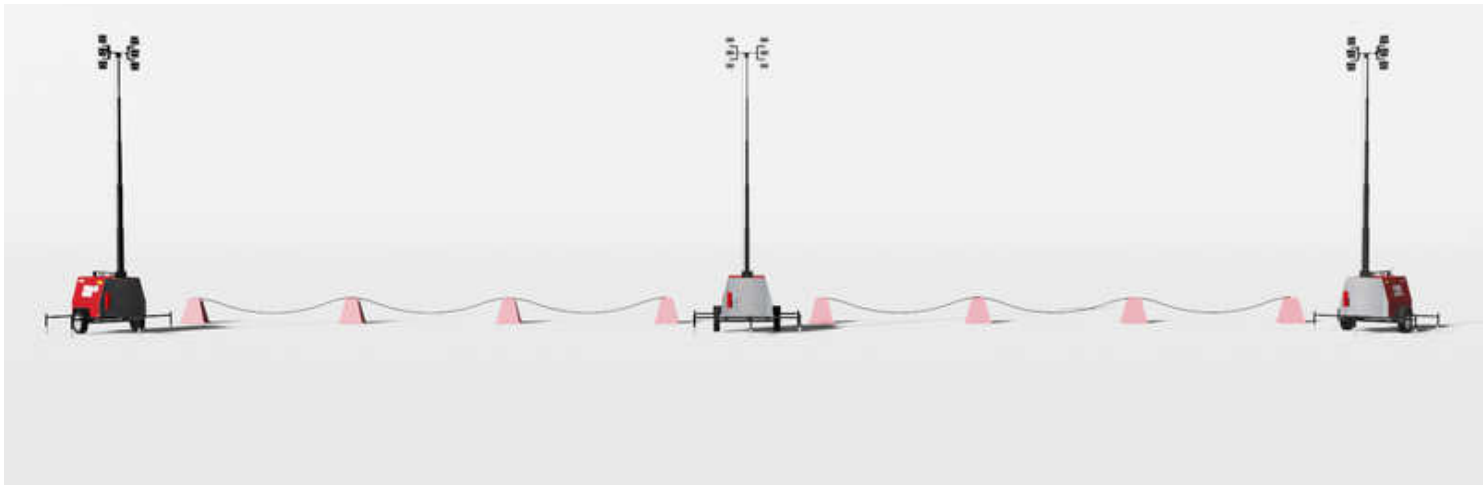

6 LIGHT

- LED lights
- Generator run or plug in capable (125 ft cord)
- **Plugs for site power use**
- Stackable

HYBRID

Lighting - LED
Wheeled

12 LIGHT

- LED lighting
- Generator run or plug in capable
- **Plugs for site power use**
- Large fuel storage for long run capability

HYBRID

18 LIGHT

- LED lighting
- 65 ft mast

EXPLOSION PROOF LIGHTS

- Energy Efficient
- Easily Relocatable
- Designed to be installed in Zone 2 (Class 1, Div 1) hazerdous locations

4 LIGHT

- LED lighting
- Small units for tight areas
- Units are able to daisy chain

10 LIGHT

- LED lighting
- Generator units with 1000 L fuel tanks , plugs for site power use, or Light Stand models only .
- Stackable units

Lighting - LED
Skidded

18 LIGHT

- LED lighting
- Generator units or Light Stands
- Stackable

One Engine

54 Lights

Combo Units
Wheeled/Skidded

MOBILE COMBO SUPPORT MINI

- Bathrooms
- 25kW Power Generation
- Power Distribution
- Lighting
- Fuel Storage
- Garbage Bin

MOBILE COMBO SUPPORT

- Large Bathrooms
- 30kW Power Generation
- Power Distribution
- Lighting
- Fuel Storage
- Oil Containment
- Garbage Compartment

PORTA POTTY GARBAGE

- Bathrooms
- Garbage Bin

Combo Units
Wheeled/Skidded

COMBO SUPPORT UNIT

- Bathrooms
- Power & Distribution
- Lighting
- Garbage / Enviro
- Fuel

Fuel
Storage

2100L - 3000L

- Double wall storage
- Fuel pump with meter
- Artic flex hose

4700L - 20,000L

- Double wall storage
- Fuel pump with meter
- Artic flex hose

SLIP TANKS

- Portable
- Included fuel pump

ENVIRO FUEL TRAILER

- 3000 L
- Fuel pump & hose

Environmental
Bins

CAMP BIN

- Large 25 CM bin

EVIRO BIN

- Large bin with compartments
- Optional bathroom or oil containment attachments

STEEL & WOOD BINS

- Large open top bins

Water & Sewer
Bathrooms

DELUXE WASHCAR

- Large capacity
- Separate men & woman areas
- On board hot water
- Some units self contained

COMBO WASHCAR

- Separate men & woman areas
- 400 gallon water storage
- On board hot water

Water & Sewer
Water Holding Tanks

10-CUBE SKIDDED

- Pump supply
- Heaters for winter use

10-CUBE COMBO

- Pump supply
- Heaters for winter use
- Lighting system for water level

5 - CUBE LOW PROFILE

- Insulated metal tank

10 -CUBE SKIDDED

- Lift station power supply
- Heaters for winter use
- High level alarm

10 - CUBE COMBO

- Heaters for winter use
- Light gauge for tank level
- High level alarm

Fire Suppression
Wheeled

2300L

- Fire pump
- Hoses and fire nozzles
- Pulaski's / Shovels

4400L

- Fire pump
- Hoses and fire nozzles
- Pulaski's / Shovels
- BC Forest Industry specs

Flameless Heat & Air
Wheeled - Diesel

FLAMELESS ***HEAT*** & CLEAN BREATHABLE ***AIR***

500

- 171 F output
- 600,000 BTU
- 6000 CFM

625

- 171 F output
- 625,000 BTU
- 4500 CFM
- Optional thermostat controlled

900

- 180 F output
- 1,200,000 BTU
- 7200 CFM

Flameless Heat & Air
Trucks - Diesel

1200

- 210 F output
- 1,300,000 BTU
- 8500 CFM

2500

- 239 F output
- 2,500,000 BTU
- 8500 CFM

Flameless Heat & Air
Natural Gas & Electric

TD650

- NG / Propane
- 180 F output
- 650,000 BTU
- 7,200 CFM

ATI E 150

- 480 - 600 v
- 275 F output
- 205,000 to 515,500 BTU
- Up to 14,500 CFM

ATI 1800

- 200 - 480 v
- 185 F output
- 1,800,000 BTU
- 20,000 CFM

Flameless Heat & Air
Ventilation

BLOWERS

- 7500 cfm
- Trailered unit

Scaffolding
System/Tube & Clamp

Alberta Only

SYSTEM / TUBE & CLAMP

- Erected by certified scaffolders
- Customized design for large or tight areas

INDUSTRIES

- Wellhead
- Facility
- Construction

TARPING

- Keeps the wind out and the warmth in
- Light material to allow outside sunlight or site lighting in

SCAFFOLD MATS

- Provides a stable base for wellhead scaffolding

STRING LIGHTS

- Lights up scaffolded areas
- Explosion proof and built for hazardous locations

Walkways & Mats
Misc.

WALKWAYS

- 4 x 20
- 8 x 10
- 8 x 20

Miscellaneous Items
Misc.

ROAD CROSSINGS

- Various widths and sizes

PORTABLE CELL BOOSTERS

- Portable packages

1 TON TRUCKS

- Service trucks for hauling equipment, trailers and site service
- Pilot truck available in BC

BED TRUCK

- Tri-drive
- 18 ton knuckle picker
- Pup trailer

WINCH TRUCK

- Tri-drive winch trucks
- Standard scissor deck and equipment deck trailers
- Some units have 18 ton knuckle picker

COMBO TRUCK

- Ability to haul customized Combo modules
- Easy and safe setup and rigout of Combo modules

VACUUM TRUCK

- Sewage transport and disposal

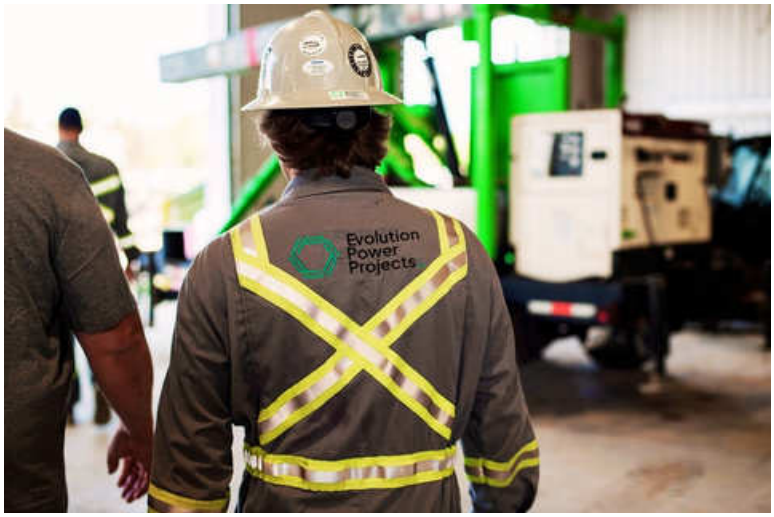

SITE SETUP & RIGOUT

- Trained field staff for equipment setup, maintenance, and rigout

SERVICE & MAINTENENCE

- Employed mechanics, electricians, plumbers, scaffolders for service and repair of equipment

ESG MONITORING

- Live Satellite tracking instrumentation on the fleet
- Proprietary operations software
- Systemic operational review and adaptation
- Emissions factorial data
- Energy utilization reporting

SITE TOURS

- Our suite of infrastructure & surface equipment can accommodate many applications. Natural Gas power, water transfer sites, drilling & completion sites, mining sites, crypto facilities, construction sites, and many more!

DRILLING SITE

FRAC SITE

WATER TRANSFER

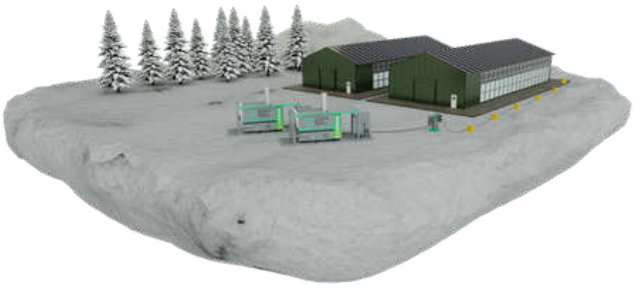

CONSTRUCTION SITE

MINING SITE

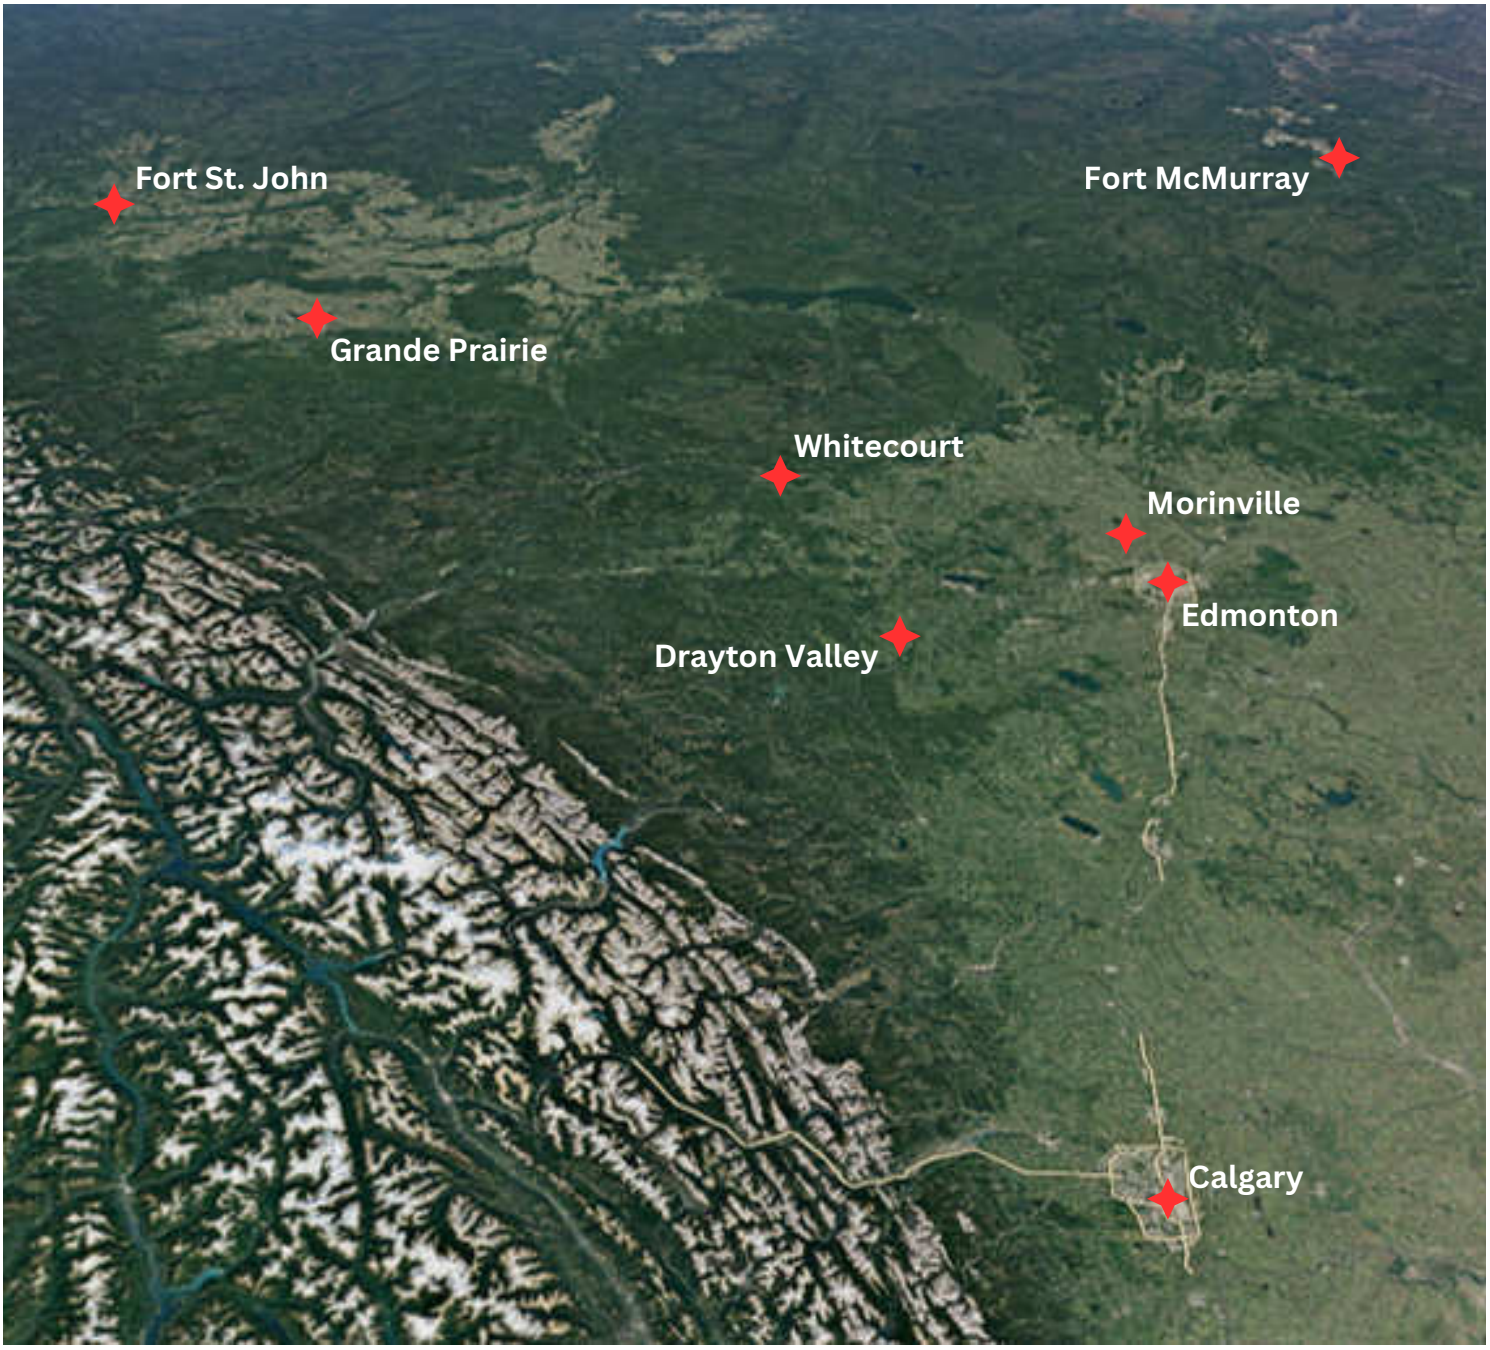

CRYPTO MINING

LOCATIONS

- Our branches are strategically located around Alberta and British Columbia that overlap service zones to give you technical and operational coverage wherever your job is.

MEET
OUR TEAM

Evolution Power Projects

Evolution Power Projects is reinventing the way mobile power is provided on site in the interest of developing efficiencies, streamlining generator rentals management, supporting critical services and promoting natural gas alternatives. Our Concept to Completion Approach assists our customers in evaluating their overall power demand and offers innovative, low carbon, environmentally responsible options.

Evolution Power Solutions

Evolution Power Solutions delivers advanced turbine technology and modular microgrids that provide clean, reliable power for remote oil and gas operations across Canada. We turn your waste gas into valuable electricity. Comprehensive power solutions designed for the demanding requirements of Canadian oil and gas operations.

Westar Oilfield Rentals

Westar Oilfield Rentals supplies support equipment for Industrial, Oil & Gas, and Constructions Projects in the Northern British Columbia region. Westar is a highly-regarded full-service oilfield site and infrastructure company that fulfills multiple equipment rental needs for a variety of customers, it is currently operating a fleet of over 2000 pieces of equipment.

Hart Oilfield Rentals

Hart's current locations are strategically located throughout west central and northern Alberta. These locations have allowed Hart to establish complimentary "service circles" that slightly overlap and allow Hart to deliver oilfield site set-up services and equipment rentals efficiently to its customers as well as respond quickly to requests for service or repairs to its equipment when required. "Prompt, Professional and Safe"

Artic Therm International

Since 1997, Artic Therm has refined and expanded its product offerings, catering not just to the Oil & Gas sector, but also reaching new industries seeking safe, contaminant-free heating solutions. Their advanced flameless heaters are a testament to their commitment to innovation and safety, boasting impressive outputs of up to 3.3 million BTU and 15,000 CFM of airflow.
